About Battle Royale

The Event

Battle Royale is a 24 hour local area network (LAN) event involving people coming together to play various console and computer based games. The goal of the LAN event is to bring together future engineers, computer scientists, and anyone with a passion for gaming to one location where the competition is fierce and the competitors are friendly. This event will provide great opportunities for companies to meet potential employees or customers.

Battle Royale offers a unique opportunity for companies to expose themselves to hundreds of students from Ottawa, Montreal, and Toronto. Likewise students are excited to see their favorite companies support grass roots competitions. This will mark the 5th anniversary and we are excited to show sponsors and attendees how much the event has evolved.

Battle Royale is Giving Back

This year Battle Royale is all about giving back! We will be giving all the profit from the event to Child's Play. This year we expect raise approximately \$3,000 for Child's Play. We will be incurring approximately \$10,000 in expenses, but through generous sponsorship and ticket sales we will be able to give back. This means that your sponsorship allows us to increase the donation to this cause and give the children the toys they need.

Child's Play is a community based charity grown and nurtured from the gaming culture and industry. They have raised over 5 million dollars since 2003 in donations of toys, games, books and cash for sick kids in children's hospitals across North America.

Sponsorship Benefits & Visibility

What we can give

We have two main areas we can provide to the sponsors – before the event and during the event.

Prior the event we are planning on an aggressive print and online advertising campaign, which will include a small event to create excitement and strong social media presence. This "Hype Night" will allow attendees and sponsors to meet and mingle, allow competitors to team build, and to have fun before some friendly competition. Also all participants will be travelling to our website to register and get involved in the Battle Royale community.

During the event we will have a large range of possibilities ranging from having a mini store front or booth, to presenting a tournament, to having merchandise as prizes, to prominent banner placement to recognition by the event MC.

Past Sponsors

How you can help

This event gives sponsors the opportunity to have exposure to the participants as well as the large campus and city community. We are always looking for monetary sponsorship as it gives us the flexibility we need to run a successful event.

If your company cannot become a monetary sponsor at this time, but would still like to get involved in Battle Royale – then why not donate your company's products or gift certificates to our prizes? This is an ideal way for small local businesses to raise awareness about their company's products by advertising to a large audience for a minimal monetary cost. One of the most popular options is to participate in our swag collection, which are free giveaways to all participants.
